#### About The Builder:

Bryan Bell is a 44 year resident of Mountain Home and has been working in the construction business for 28 years. Bryan's wife, Teresa manages their office, maintains budgets and assists clients with making color and style selections. Bryan & Teresa started their own business in Mountain Home in 1996 designing, building, and selling custom homes.

All homes constructed by Bryan Bell Construction, Inc., are built energy efficient, using Green building practices and with unique design characteristics that set them apart from the norm. Bryan Bell Construction, Inc. is a leader in remodeling and additions to existing homes and businesses. Bryan Bell Construction, Inc. also works closely with insurance companies to complete water and fire damage restoration.

Bryan is a fully licensed and insured residential & commercial contractor in the state of Arkansas as well as a graduate of Arkansas State University. Bryan is the current Vice President and past President of the TLHB Association, and a current Board member of the Mountain Home Area Chamber of Commerce. He also serves on the Board for Serenity.

Bryan and Teresa vow to provide excellent quality and service, and will make building your home a fun and enjoyable experience on time and on budget.
